Conditions to which the applicant is subject regarding reproductions of documents of the Museu Picasso of Barcelona

The user agrees to follow the instructions of the Museu Picasso on how to reference the reproduction provided.

The fact of obtaining permission to reproduce images does not imply the right to use the name and identifying elements of the Museu Picasso. In no case can it be implied that the activity of the applicant has the support or collaboration of the Museum. The name of the Museum can only be used to reference the origin of the images.

The images will be provided in digital format with the appropriate quality for the end use of the reproductions.
